

CDIGITAL IMAGING

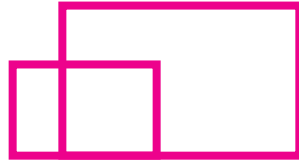

design | **stained concrete**

wall dimension:
18'h x 24'w

hue: wine

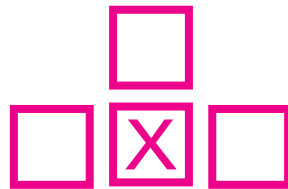

The digital era has spawned a whole vein of abstract design. Intense colour with mathematical plays of pattern and chaos. A reflective mylar substrate provides additional impact.

SCALABILITY

This design is a raster-based image. It is created to be as scalable as possible, but the image may begin to degrade when scaled beyond 12 feet in height.

REPEAT

This design is not a repeating pattern. For significantly wide or tall installations, we will normally crop, stretch or mirror the design to fit your space.

COLOUR

This design primarily features colours that are textured, layered, transparent, or tonal in nature. As a result, custom colours may not reproduce entirely as expected.
