Snowdrift Texture

For spaces that whisper refinement, Snowdrift Texture offers a lush, tactile experience. A soft tapestry emboss lends a rich yet understated depth, while the calming palette—rooted in the poetry of storms and song—grounds every project in timeless serenity. Designed for commercial interiors that require both beauty and durability, Snowdrift Texture wraps walls in a sense of quiet luxury. It's the perfect canvas for spaces where comfort, creativity, and connection are essential.

Weight: Type II, 20 Oz. | Backing: Osnaburg | Installation: Random Match, Reversible Pattern
